 - It applies to everything we have been given. Our time, our money, our God given gifts and abilities, our influence, it all comes from God.

Four Principles of Biblical Stewardship <https://tifwe.org/four-principles-of-biblical-stewardship/>

- **The principle of ownership.** *The Earth is the LORD's, and everything in it, the world, and all who live in it.*
- **The principle of responsibility.** *Although God gives us "all things richly to enjoy," nothing is ours. Nothing really belongs to us. God owns everything; we're responsible for how we treat it and what we do with it. While we complain about our rights here on earth, the Bible constantly asks, What about your responsibilities? Owners have rights; stewards have responsibilities.*
- **The principle of accountability.** *A steward is one who manages the possessions of another. We are all stewards of the resources, abilities and opportunities that God has entrusted to our care, and one day each one of us will be called to give an account for how we have managed what the Master has given us.*
- **The principle of reward.** *Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.*
